Our 2020 Strategy

Our Mission...

is to make disciples who act justly, love mercy and walk humbly with their God. (Matthew 28:19-20 and Micah 6:8)

Our Choice

or

"If Christians were to act in concert, moving forward as one, under the direction of one Power, for the accomplishment of one purpose, they would move the world." Testimonies, vol. 9, page 221

Our five-step strategy to becoming a Spirit-empowered, mission-driven church of excellence...

1

How our church will build a missional team...

- We will establish a climate of humility, trust and belonging by praying together, playing together and serving together.
- We will engage our entire congregation in one project each year in which everyone collaborates.
- We will provide coaching support for our ministry leaders, church officers and pastors on a quarterly basis.

2

We will focus on the following three groups...

- Our Church Leaders
 - Our Church Family (including Burman University, PAA & CHCS)
 - The Community of Lacombe
- 

3

How we will communicate our mission and vision so that every man, woman and child will own it...

- **Display it** in our foyer, division rooms, visuals, bulletin and church app.
- **Speak it** in sermons, worship talks and together in church.
- **Live it** at school, at work, and at play, day by day.
- **Repeat...**

Our Big Three Visionary Goals...

1. For equipping our Church Leaders:

By 2020, we aim to empower and inspire every leader to fulfill their mission with excellence.

2. For actively involving our Church Family:

By 2020, we aim to help every member go deeper with Jesus, connect with a small group, and build a friendship with someone who is not yet in our faith community.

3. For Impacting the Community of Lacombe:

By 2020, we aim to involve all our members in service to the community, demonstrating the love of Jesus, and introducing the Adventist message of hope and wholeness.

5

How we will measure our progress and impact...

- To document how well our pastors and leaders are empowered to achieve their mission with excellence, we will...
 - Measure leader satisfaction and effectiveness by interviews, surveys and performance evaluations.
- To assess increased levels of **every-member** involvement, we will...
 - Determine whether or not our people are getting closer to Jesus, through testimonies, surveys and focus groups.
 - Determine the percentage of our people participating in small groups (in relation to our average quarterly worship attendance).
 - Determine the percentage of our people investing an hour or more per week building friendships in the community.
- To measure our impact in the community, we will...
 - Determine the percentage of our people investing an hour or more per month serving the community.
