**EMBRACING THE HEALTH BENEFITS OF "AUTUMN"** As summer transitions into Fall, nature unveils the beauty of the vibrant colors & a refreshing nip in the air. Fall holds a unique charm with the delightful change of colors on the foliage, & it offers a reprieve from the extreme temperatures. The cooler weather is gentle on our bodies, making outdoor activities more enjoyable & encouraging physical exercise. Psalm 107:37 quotes "They sowed fields & planted vineyards that yielded a fruitful harvest" Fall is the season of harvest, with an abundance of delicious & nutritious fruits & vegetables. The beauty of Fall, the golden & red leaves, the fragrance of nature & the cool breeze, can have a soothing effect on your mind. As the days become shorter & nights longer, our bodies naturally start to adjust to this change in light. Fall's longer nights & cooler temperatures encourage a deeper more restful sleep. Embrace the cozy ambiance by snuggling up with a cozy blanket & a good book. Relax & rejuvenate... ~ *Your Health Ministry Team*

## From the Pastor's heart

Speak Life!

This summer I have been running, exploring the beautiful trails of Lacombe. I never before really enjoyed running, as a matter of fact I somewhat despised it- It's hard! At first, after a few kilometres in, I could feel the burning sensation in my leg muscles, and my chest would feel like it would burst open from the fierce throbbing of my heart and my lungs trying to keep up, but I found that my body gives up, long before my mind does. If I keep telling myself: "You're strong! You can do it! You're amazing!" I found that I could go much longer, and much further! I just had to keep aligning my words with my desires, both in my mind's ear and out loud. I also found that as I ran, I would set smaller incremental goals, and as those milestones accumulated, by the end of the run I had covered a significant distance.

I think life in general is a lot like running! It can be challenging! It can be hard! But, we are stronger, more powerful than we sometimes think, and there is more light in us than we can imagine. Keep telling yourself; I'm smart, I'm intelligent, I'm beautiful, I'm talented and you will find yourself climbing higher, going further, for longer! Positive self-talk!

Proverbs 18:21

Life and death are in the power of the tongue...
